Federal Highway Administration

Buy America Waiver Notification

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice.

SUMMARY: This notice provides information regarding FHWA's finding that a Buy America waiver is appropriate for the use of non-domestic Vanessa 30,000 series water line valves (two 42 inch, three 16 inch, and one 8 inch) for the Woodmen Road corridor improvement project, phase 2 in Colorado Springs, Colorado.

DATES: The effective date of the waiver is **[INSERT DATE ONE DAY AFTER PUBLICATION IN FEDERAL REGISTER]**.

FOR FURTHER INFORMATION CONTACT: For questions about this notice, please contact Mr. Gerald Yakowenko, FHWA Office of Program Administration, (202) 366-1562, or via e-mail at gerald.yakowenko@dot.gov. For legal questions, please contact Mr. Jomar Maldonado, FHWA Office of the Chief Counsel, (202) 366-1373, or via e-mail at Jomar.Maldonado@dot.gov. Office hours for the FHWA are from 8:00 a.m. to 4:30 p.m., E.T., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Electronic Access

An electronic copy of this document may be downloaded from the Federal Register's home page at: <http://www.archives.gov> and the Government Printing Office's database at: <http://www.access.gpo.gov/nara>.

Background

The FHWA's Buy America policy in 23 CFR 635.410 requires a domestic manufacturing process for any steel or iron products (including protective coatings) that are permanently incorporated in a Federal-aid construction project. The regulation also provides for a waiver of the Buy America requirements when the application would be inconsistent with the public interest or when satisfactory quality domestic steel and iron products are not sufficiently available. This notice provides information regarding FHWA's finding that a Buy America waiver is appropriate for use of non-domestic Vanessa 30,000 series water line valves (two 42 inch, three 16 inch, and one 8 inch) for the Woodmen Road corridor improvement project, phase 2, in Colorado Spring, Colorado. These waterline materials are required to relocate an existing 42 inch high pressure water line outside of the roadway. These valves would meet a zero leakage performance that is necessary for worker safety during water line construction.

In accordance with Division K, section 122 of the "Consolidated and Further Continuing Appropriations Act, 2015" (Pub. L. 113-235), FHWA published a notice of intent to issue a waiver on its Web site

(<http://www.fhwa.dot.gov/construction/contracts/waivers.cfm?id=111>) on August 18.

The FHWA received no comments in response to the publication. Based on all the information available to the agency, FHWA concludes that there are no domestic manufacturers of Vanessa 30,000 series water line valves.

In accordance with the provisions of section 117 of the SAFETEA-LU Technical Corrections Act of 2008 (Pub. L. 110-244, 122 Stat. 1572), FHWA is providing this notice as its finding that a waiver of Buy America requirements is

appropriate. The FHWA invites public comment on this finding for an additional 15 days following the effective date of the finding. Comments may be submitted to FHWA's Web site via the link provided to the waiver page noted above.

(Authority: 23 U.S.C. 313; Pub. L. 110-161, 23 CFR 635.410)

Issued on: October 6, 2015.
